Dear EI Associates,

As the superintendent of High Point Regional High School, over the past six years, I have worked with many companies and vendors, including architectural firms. EI Associates has separated themselves from all other firms as the most professional, customer oriented and competent I have yet encountered.

Mr. Brian Donnelly and Mr. Ralph Nashed, the two gentlemen with whom we worked most closely, so far exceeded my expectations that I will use EI's services as long as I am a superintendent. From the very beginning, they were respectful, helpful and accommodating; they understood the challenges we face with scarce human, material and fiscal resources. Throughout the process they were readily available and communicative; all questions and concerns were managed thoughtfully and in a timely fashion. Mr. Donnelly quickly inspired my trust; he and Mr. Nashed continued to build on that trust throughout the project.

It is with great appreciation and thanks that I send this letter to laud the efforts of Mr. Brian Donnelly and Mr. Ralph Nashed of EI Associates, for the exceptional professionalism, customer service and personal attention they provided throughout our project. It was an honor to work with such dignified and conscientious professionals. I look forward to working with these gentlemen and EI Associates in the future.

Sincerely,

Scott D. Ripley, Ed.D.
Superintendent
